

FRIENDSHIP

COURAGE

HOPE

FORGIVENESS

BELONGING

Welcome to our Family Values Newsletter, which shares the themes we will be exploring in school this half term for you to continue at home. The summer term has a focus on joy, and this half term this will be linked to the value of **gratitude**. Gratitude means noticing and being thankful for the people, things and experiences that make us happy. We will be learning how joy can grow when we say, "thank you", show kindness and appreciate others.

Mrs Williams

"Give thanks to the Lord, for he is good; his love endures forever."

1 Chronicles 16:34

Summer 1 - 2026

This half term, we are exploring the value of

DETERMINATION

JUSTICE

GRATITUDE

JOY

THANKFULNESS

PEACE

RESPECT

LOVE

RESPONSIBILITY

TRUST

Talk about...

What have you been grateful for today, and how did you show it?

How does it make you feel when you give or receive gratitude?

Who could you say "thank you" to today, and why?

In the Bible...

The Feeding of the 5,000 (John 6:1-14)

A huge crowd of people had come to see Jesus, and they were getting very hungry. A young boy shared his small lunch of five loaves of bread and two fish. Jesus gave thanks for the food, and then something amazing happened—there was enough for everyone to eat, with plenty left over!

What we can learn:

When we are thankful and share what we have, even small things can make a big difference.

[Gratefulness Multiplies! Jesus Feeds The 5,000](#)

Do at home...

You could earn **ten team points** for your house by completing a challenge. This half term's challenge:

Being Grateful

Can you think of five things you are grateful for?

For your **Family Values Team Points** this month draw around your hand and on each finger draw/write something you are grateful for.
