BELONGING

Welcome to our Family Values Newsletter, which shares the themes we will be exploring in school this half term for you to continue at home. The summer term has a focus on joy, and this half term this will be linked to the value of **belonging**—feeling included, valued, and part of our school community. We will explore how joy grows when we feel we belong, and how we can help others feel the same through kindness, friendship, and inclusion.

Talk about...

[Mixed: A Colourful Story - Read Aloud Children's Book](#)

What happens when the colours are separate?
What changes when they come together?
How do the characters feel at different points?
What does the story teach us about belonging?
How does this link to our school?

Remember: Belonging means everyone is included, valued, and stronger together.

In the Bible, Jesus says, “**Let the little children come to me**” (Mark 10:14).

[74 Jesus and the Children](#)

This shows that everyone is welcome, valued, and belongs.

After reading this story, think about belonging:

What shows that everyone is included?
How do the children feel when they are welcomed?
How does Jesus show kindness and care?
Where do we see belonging in our school and friendships?
How can we help others feel welcome too?

“You are welcome. You belong here.”

Do at home...

Every month, you could get **ten team points** for your house by completing a challenge. This month’s challenge:

Create a paper chain character of yourself, your friends, your family, or important people in the community. Bring it to school to add to our display.

Templates are available on the Worship table.
