BELONGING

Welcome to our Family Values Newsletter, which shares the themes we will be exploring in school this half term for you to continue at home. This half term, our focus is on **kindness**. We will be encouraging children to think about how small acts of kindness can make a big difference to others and help create a caring, supportive community. Through stories, discussions, and everyday experiences, we will explore what it means to be kind, considerate, and compassionate, and how we can show kindness through our words, actions, and choices both in school and at home.

Mrs Williams

"Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you."

Ephesians 4:32

This half term, we are exploring the value of

Kindness

doesn't cost a thing,
yet it's the richest gift
you can give.

Talk about...

[Kindness Grows | A story about how kindness can spread love everywhere](#)

What kind acts did you notice in the story?

How can kindness spread from one person to another?

What act of kindness could you do this week?

In the Bible, Jesus teaches us to "**love one another**" and to treat others with **kindness** and compassion. In *The Parable of the Good Samaritan* (Luke 10:25-37), the Samaritan helped someone in need without expecting anything in return. This demonstrates our school vision by encouraging us to show love, kindness, and respect to everyone, helping to create a caring and inclusive community where all people are valued.

[The Good Samaritan - BBC Teach](#)

Why do you think it is important to help others, even if they are not your friends?

How can you be a "Good Samaritan" at home, at school, or in your community?

Do at home...

We are creating a kindness jar. If you see an act of kindness, you can add the person's name and reason to our kindness jar.

Everyone (adults and children) can get involved and nominate someone.

Please help us to fill the jar!

Add your nominations to the Worship table or send them to Mrs Williams via Class Dojo.
